EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claim:

In claims 6-14, line 1, replace the claim status "(Withdrawn)" with - (Original) --

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

Prior arts of record do not disclose an anti-theft system for vehicles disclosed in claims 1 or 17. The system comprises: a first electronic control device mounted in a vehicle for controlling continued operation of the vehicle after the vehicle is started, the first control device includes a transmitter and a receiver for transmitting a characteristic signal; a second electronic control device to be worn by a person authorized to use the vehicle, the transmitter and receiver receive the characteristic signal and transmit a return signal to the transmitter and receiver of the first control device; the first electronic control device includes a control circuit for determining the distance between the first and the second control devices based on the returned signal and disables the continued operation of the vehicle when the distance is greater than a predetermined distance.

Art Unit: 3661

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Remarks

Restriction on claims 6-14 has been withdrawn. Claims 6-14 are now joining with the allowable independent claim 1.
